Introduction: Logging in

You must hold an Access Membership with the Yvonne Arnaud Theatre to book accessible seats.

If you're unsure if you're a member, please email access@yvonne-arnaud.co.uk or call 01483 44 00 00.

Designated seats are held in the auditorium for Access Members with specific seating requirements.

You must ensure you login to your account before selecting any tickets, otherwise these seats will not be visible.

To log in, select the 'Account' button on the bottom-left of your screen. You will be taken to a page where you can enter your email address and password.

A screenshot of the login page. At the top left is a blue icon of a square with a rounded corner. To its right is the word 'Login' in a large, black, sans-serif font. Below this are two input fields. The first is labeled 'Email address:' and has a small red asterisk with '(required)' below it. The second is labeled 'Password:' and also has a small red asterisk with '(required)' below it. Below the password field is a blue button with the word 'LOGIN' in white, uppercase letters. At the bottom of the form are two links: 'New Customer? Register now' and 'Forgotten your password? Reset here', both in a smaller, black, sans-serif font.

Accessible Seating

We are currently improving accessibility as part of our *Play Your Part* capital campaign.

The installation of a new lift, that reaches all floors, will enable us to fit new wheelchair spaces in the auditorium and provide further step-free seating options by Summer 2025.

Wheelchair users:

(All wheelchair spaces are held specifically for wheelchair users)

Wheelchair spaces are available in the following locations:

Main House:

Stalls - F25 & F27

Mill Studio:

A7 - additional wheelchair spaces can be booked via our Box Office, subject to availability.

Accessible seating – step free seats:

(A select number of step-free seats are held specifically for access members)

If you require step free seating, we recommend choosing from the following seats:

Main House:

Stalls – F23-F24 & F28-F30

Mill Studio:

Row A

Accessible seating – limited steps seats:

(A select number of limited steps seats are held specifically for access members)

If you can manage a few steps to your seat, we recommend the following seats:

Main House:

Stalls – G19-G22, H19-22 & J19-J26

Mill Studio:

Row B - there are two steps up to each row (with row A being step-free access).

Guests with visual impairments:

We recommend central stalls seats, in rows A-C.

Assistance dogs:

Please contact our Box Office to make a booking, so we can guarantee enough space is booked to keep you and your assistance dog comfortable during the performance.

Accessible Performances

We offer accessible performances on select dates; you can check our website or brochure for a list of these showings.

Whilst we don't hold specific seats for these performances, relevant information (such as best seats to view captions) will show up when you hover over seats with an 'i' icon.

Captioned performances:

Captions are usually displayed at both sides of the stage. We recommend central stalls seats for the best viewing experience.

British Sign Language interpreted performances:

An interpreter will be stood to one side of the stage. Positioning is dependent on production, please contact our Box Office if you need further details. Select productions offer integrated BSL performances, where the interpreter is mixed into onstage action instead of being stationary at side stage.

Audio described performances:

Our Sennheiser headsets function in any seat (Main House only).

Relaxed/Dementia friendly performances:

These performances offer an open-door policy, with house lights at a dim level and a reduction to some onstage effects. Aisle seats are recommended for those requiring easier entry/exit points.

Choosing Your Seats:

Wheelchair users

If you require a wheelchair space, please select a wheelchair icon on the seating plan. If someone will be attending with you, please also select the star icon adjacent to this space, along with any additional seats you wish to purchase.

Wheelchair users can also view step-free or limited-steps seats on the seating plan (also as star icons). If you would like to transfer from your wheelchair into a regular theatre seat, please follow the 'Step-free, limited-steps seats and general accessible bookings' instructions on this guide.

Individuals unable to transfer into a seat or wishing to stay in their wheelchair during the performance, must book a seat with the wheelchair icon. If no wheelchair spaces are available, please do not select a star seat as an alternative, as we will be unable to accommodate your access requirements at the performance date.

If you'd like to book a wheelchair space without an essential companion, please contact the Box Office who can add this eligibility to your account to ensure you still receive any applicable discounts on your ticket.

Choosing Your Seats:

Step-free, limited-steps seats and general accessible bookings

Please remember to check our accessible seating information, to ensure you are choosing seats that align with your access requirements.

Access members who have informed us they require step-free or limited-steps seating, will see available accessible seats appear as stars on their seating plan.

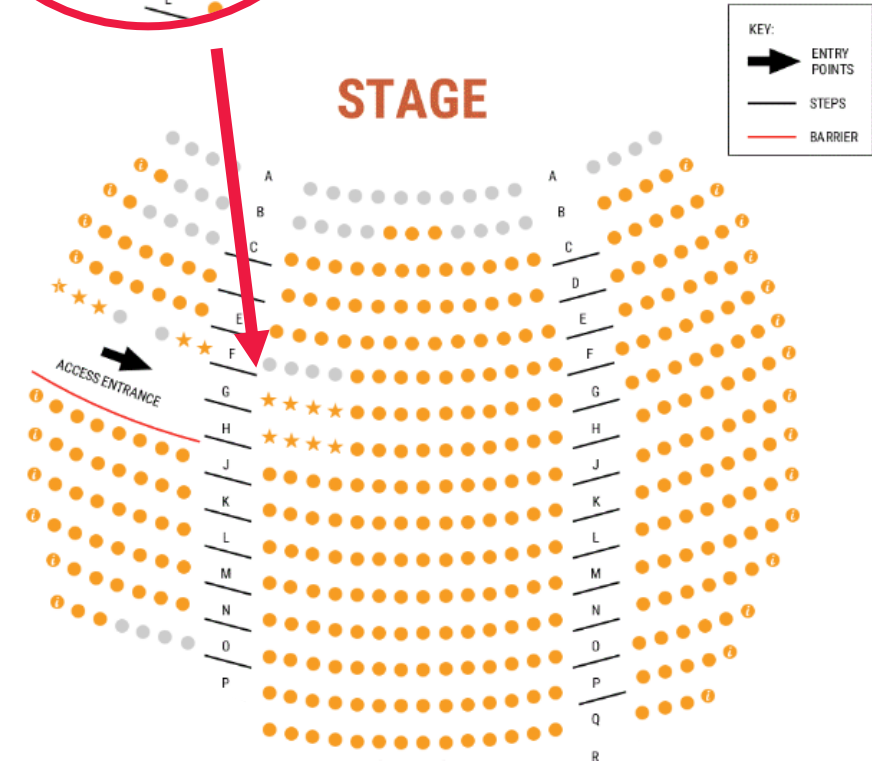

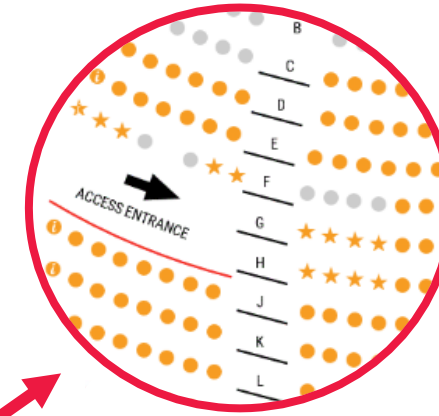

Individuals with no specific seating requirements can choose from any available standard seating.

Select the seats you wish to purchase. If you will be bringing an essential companion with you, please also select a seat for them (and anyone else you are booking for).

If you are attending as part of a larger group (mainly comprised of individuals without access requirements), we kindly ask you avoid using all the accessible star seats, so we can ensure other access members have the opportunity to attend the performance.

Similarly, if you are using your account to book for someone without access requirements, we ask you refrain from purchasing these star seats.
